The information contained herein is provided for planning purposes only. Schedules are based on anticipated flying times and are subject to change without notice. Spirit Airlines cannot guarantee arrival and departure times.

## How to Build Flight Connections:

Step 1 - Select a flight from your origin airport to a connecting airport. Note the arrival time.

Step 2 - To determine how much time is needed to transfer between flights, add the connecting flight's arrival time to the minimum connecting time. This is the earliest connecting departure time.

Step 3 - Select a flight from your connecting airport to your final destination airport, which departs anytime after your earliest connecting departure time that you determined in step 2 above.

Please note that flights to/from the following cities are considered to be domestic for connection-building purposes:

Aguadilla, Puerto Rico                      Aruba, Aruba                                      Saint Thomas, USVI                                      San Juan, Puerto Rico
